

Assessment of this Procedure in the Simulation - Client

Be candid, not too harsh or easy on yourself or others. Keep this form to help write your assessment of the simulation.

Simulation _____ Your Role _____
Procedure (e.g., interview, planning) _____

1. What was the hardest part of this exercise for the lawyer and/or client?
2. What did you learn from this experience about this phase of lawyering?
3. How well did your lawyer perform overall? Use a scale from 0 to 10, where 0 is the worst possible performance and 10 is the best possible performance. Why do you make this assessment?
4. What did your lawyer do particularly well?
5. Based on your analysis, if you were the lawyer in this situation, what might you do differently in the future?
