Dear Fran, I am assuming you remember me from our meeting. I'm the Bagger representative working most directly on your account.

I just want to make sure we're on the same page because that young lawyer of yours left it murky in the contract. Before Bagger puts money into equipment, aren't we agreed that Delishco plans to purchase a minimum of 50 million bags at this price, sometime in the next 8 years?

On my way out, so short reply. I remember you. No worries - I think we'll be at the 10 million level this year alone.
