

Questionnaire for Single Arbitrator

After hearing the evidence and arguments by counsel, but *before you had really deliberated*, had you reached at least a tentative conclusion concerning liability and damages in this case? ___yes ___no

If so, what would your decision and award have been prior to your own deliberations?

___liability or ___no liability on breach of joint venture agreement or other agreement relating to the joint venture

___liability or ___no liability on breach of fiduciary obligation

___liability or ___no liability on breach of Confidentiality Agreement

What would your award have been? _____

- On a scale of 1-5, indicate how strongly you disagree or agree with this statement: *A three member panel's deliberative process would have been beneficial and would likely have resulted in a decision and award that was more fair, just, or appropriate than the outcome you reached as a single arbitrator.*

Strongly disagree
