

5. On a scale of 1-5, how confident are you that your final decision and award are fair, just, and appropriate?

Not at all confident Completely Confident
1 2 3 4 5

6. On a scale of 1-5, indicate how strongly you disagree or agree with this statement: *A three member panel's deliberative process would have been beneficial and would likely have resulted in a decision and award that was more fair, just, or appropriate than the outcome you reached as a single arbitrator.*

Strongly disagree Strongly agree
1 2 3 4 5

7. On a scale of 1-5, indicate how strongly you disagree or agree with this statement: *Your own decision making process would have benefitted from confidential discussion of the case with someone else whom you respect.*

Strongly disagree Strongly agree
1 2 3 4 5

8. Please comment upon factors that you believe had a significant impact on your final decision and award.

9. Please describe briefly how you went about the deliberative process.
