## ***Credit and Debt Management for Bar Admission***

Your credit report provides more information than just what feeds your credit score. Bar examiners may review your credit history and take into consideration your fiscal responsibility (or irresponsibility) when evaluating your Character and Fitness to practice law. And employers may do the same when considering a job offer. Learn to understand the credit system, how to review your reports, dispute errors, and maintain a positive image with creditors — regardless of where you are on the credit score spectrum.

## ***Building Your Law School Budget***

When it comes to your law school budget, the most important step for saving more is borrowing less. But financial growth during and after law school also means managing credit, understanding loan repayment options, tracking debt, and planning for future expenses like the bar exam. In this session, you'll walk through each of these items and gain access to spending plan worksheets and other tools to stay on track!
