Angelique EagleWoman, Director
Native American Law and Sovereignty Institute
875 Summit Avenue
Saint Paul, MN 55105

Dear Professor Eaglewoman and associates,

I'm writing to express my interest in becoming the Program Administrator in support of the Native American Law and Sovereignty Institute at Mitchell Hamline. I'm passionate about widening the doors to legal professions and decision making, and dedicated to developing resources supporting sovereignty. I'm licensed to practice law in Minnesota and before White Earth and Leech Lake, and would be energized to support Native students in taking full advantage of the resources at Mitchell Hamline.

I appreciate your time and consideration and wish you the best in your discernment process.

Sincerely,

Faith Bickner
