

Students seeking one of Mitchell Hamline's Certificate in Patent Law must submit this application form, a resume, and an unofficial transcript to either the IP Institute's Associate Director for Patents, R. Carl Moy, or the IP Institute Director, Sharon Sandeen, in room 354 or by email at Sharon.sandeen@mitchellhamline.edu. The application should be made as soon as possible, and ideally before the student has completed their 45th credit at Mitchell Hamline. By submitting the application form early in the student's law school career, the student will receive academic counseling advice specifically tailored to the student's particular interests, skills, and career goals.
