"I joined Rinke Noonan because it felt like a place I could work that was regionally recognized as a top law firm on legal issues that I cared about. I stayed at Rinke Noonan because I genuinely liked the mentors and people that I worked with. The environment allowed me to excel professionally in my own way and to be myself. My nearly ten years here have proven that my first impressions of Rinke Noonan were right. Your presence here matters.

It makes a difference." -Kale Van Bruggen
