

The Palm Beach County Bar Association's

# Committee on Diversity & Inclusion's Diversity Internship Program (DIP)

The Diversity Internship Program is now accepting applications from law students for summer internships and from legal employers to host an intern for the summer!

Law firms that want to participate, but are unable to offer an internship position at their own firm, may still support the DIP through other means. This includes making a financial donation that will sponsor a student's expenses and travel or provide a salary for an intern employed by a government agency. Lawyers, Law Firms and Government Agencies that are interested in participating in this year DIP should [click here](#) or contact the following Co-Chairs:
