

Patterson Thuent IP is offering future IP attorneys the chance to hone their interview skills and resumes. Join us for a casual dinner and some friendly advice!

- **Have one-on-one mock interviews with our attorneys**
- **Let us review your resume and suggest improvements**
- **Network with our attorneys to learn more about the profession**

Who should attend? All are welcome! Please keep in mind that because we are an intellectual property law firm, the educational component of this event will be more beneficial for students who have a technical background, such as an engineering or advanced science degree, and are interested in pursuing a career in IP law.
